## CENTER CREEK BIOGRAPHIES

During her early married life, Agnes worked hard. Her husband was often away working, leaving the responsibilities of children and the farm to her. Neighbors frequently called on her to help with the sick and she was always called when there was a new baby. She was called the "mother" of Center Creek because of the number of babies she helped come into this life. Her hands were never idle during her life. She knitted hundreds of yards of lace, all of which was given away. She was 88 years old when she died after a three day illness.
